

Feedback Emotion v3

Placeholder no se elimina al activar el input para escribir

The screenshot shows the 'Smart VOC' configuration interface. On the left is a sidebar with a 'Back to List' link and a 'TEST' section. Under 'RESEARCH TITLE', 'TEST' is selected. Under 'RESEARCH TYPE', 'Behavioural Research' is selected. Under 'RESEARCH TECHNIQUE', 'AIM Framework Stage 3' is selected. Under 'STATUS', 'Active' is selected. Under 'STAGES', 'Welcome Screen' and 'Thank You Screen' are listed. Under 'Smart VOC', a list of modules is shown: 'Voice of Customer (VOC)', 'Net Promoter Score (NPS)', 'Customer Satisfaction Score (CSAT)', 'Customer Effort Score (CES)', 'Cognitive Value (CV)', and 'Net Emotional Value (NEV)'. The 'Customer Effort Score (CES)' module is selected and highlighted. The main content area shows the configuration for 'Customer Effort Score (CES)'. It includes a 'Required' toggle switch, a 'Pregunta' field with the placeholder 'Probando titulo CES', a 'Rango' dropdown set to '1-5', and a 'Preview' section showing the question as it will appear to participants. The preview shows a 5-point scale with radio buttons and labels 1 through 5.

No permite re-ordenar las preguntas, ya que VOC debería ir al final

The screenshot shows the 'Smart VOC' configuration interface with the 'Voice of Customer (VOC)' module selected. The sidebar on the left is the same as in the previous screenshot. The main content area shows the configuration for 'Voice of Customer (VOC)'. It includes a 'Required' toggle switch, a 'Question title' field with the placeholder '¿Cómo te sientes con el servicio al alumno?', and a 'Preview' section showing the question as it will appear to participants. The preview shows the question text and a large blue rectangular area for the answer. Below the VOC module, the 'Net Promoter Score (NPS)' module is partially visible. A red circle is drawn around the 'Voice of Customer (VOC)' module in the sidebar and the main content area, highlighting the issue that the placeholder text does not disappear when the input field is activated for editing.

CSAT no se visualiza, solo permite dejarla como obligatoria

The screenshot shows the 'Smart VOC' configuration page. On the left is a sidebar with a 'TEST' section containing a list of modules: 'Voice of Customer (VOC)', 'Net Promoter Score (NPS)', 'Customer Satisfaction Score (CSAT)', 'Customer Effort Score (CES)', 'Cognitive Value (CV)', and 'Net Emotional Value (NEV)'. The 'Smart VOC' module is selected. The main area displays the configuration for the 'Customer Satisfaction Score (CSAT)' module, which is highlighted with a red rectangular box. The configuration includes a 'Required' toggle switch set to 'On'. Below this, the 'Pregunta' (Question) field contains 'Probando título CES'. The 'Rango' (Range) is set to '1-5'. A preview section shows the question as 'Probando título CES' with a 5-point rating scale. The 'Customer Effort Score (CES)' module is also visible below, with its 'Required' toggle also set to 'On'. The 'Cognitive Value (CV)' module is at the bottom, also with its 'Required' toggle set to 'On'. A 'Save Changes' button is located in the top right corner.

NO permite eliminar la sección “Cognitive Tasks” para dejas solo “Smart VOC”

This screenshot shows the same 'Smart VOC' configuration page, but with a 'Delete Stage' dialog box overlaid in the center. The dialog box has a title bar with a close button (X). It contains a red warning icon and the text: 'Are you sure you want to delete the stage "Cognitive Tasks"? This will also delete all modules in this stage. This action cannot be undone.' At the bottom of the dialog are two buttons: 'Cancel' and 'Delete'. The background of the configuration page is dimmed, showing the same sidebar and main content area as the previous screenshot.

Preguntas tipo para:

- **NPS:** En una escala del 0 al 10, ¿qué probabilidad hay de que recomiendes [nuestra empresa/ producto/servicio] a un amigo o colega?
- **CSAT:** ¿Qué tan satisfecho/a estás con tu experiencia hoy? (siendo 1 = Muy Insatisfecho y 5 = Muy Satisfecho)
- **CES:** ¿Qué tan fácil fue para usted [lograr un objetivo/resolver su problema] con nuestra empresa?", evaluada en una escala (ej. 1-5, 1-7, 1-10)
- **NEV:** ¿Qué emociones te inspira el servicio de [Nombre empresa]? Por favor, selecciona hasta 3 emociones

No permite seleccionar lo demografico, la configuración del link ni copiar la URL del estudio

The screenshot displays the 'Research Configuration' interface, which is used for setting up research parameters. The interface is divided into a left sidebar and a main content area.

Left Sidebar:

- TEST**
